HBLB Grant

- The predicted amount for a fixture at different times of the year is given in May, before the application

Date	Per Fixture
Pre-Xmas	£5,500 - £6,000
Post-Xmas - Jan	£3,700 - £4,200
Feb	£3,000 - £3,750
First two weeks Mar	£1,300 - £1,600
Post-Cheltenham Festival	£1,000
Easter Fixtures	£200

HBLB Grant (continued)

- The actual amount is confirmed once the fixture list is finalised and all have paid, and is placed on the HBLB grant application form when sent out
- The accounts are required for probity and analysis of the financial health of the sport
 - Please ensure your figures add up to the totals listed at the bottom of the form
 - Accurate figures are more helpful
 - Total all your admin charges
 - Get realistic count of numbers present: it is unlikely (except Bank Holiday and certain other fixtures) the crowd will be 2,000+ - you need a crowd doctor if it is likely to be
- We will always do our best to get you the best possible share of the grant if you cannot run or are postponed
