# FOREWORD

Welcome to this second edition of the planner, dedicated purely to Hunter Chasing. Together with the BHA, Racecourses have been looking at how we can ensure a healthy and balanced Hunters' Chase programme and increase field sizes for such races, both now and in the future.

We hope you find the document useful, we do continue to need your involvement, support, and feedback during the season. Therefore, please do feed back any thoughts and ideas via Lizzie Marshall (izzie.Marshall@racecourseassociation.co.uk) at the Racecourse Association, or any of the course representatives mentioned in this planner.

We look forward to seeing you during the 2024 season.

# A FEW QUESTIONS ANSWERED

## 1. HOW DO I ENTER AND DECLARE HORSES?

See page 9

## 2. HOW TO DO WE ACCESS THE STABLE YARD

On arrival at the course before you unload your horse. Take photo ID and your horse's passport to the stable office and register with the BHA security team. You will then be issued a stable number and given access. When you unload your horse, it will need to be presented to security in order to have its microchip read and its passport checked. # RACE DEFINITIONS

## DEFINITION OF MAIDEN

"Maiden" for Steeple Chases and Hurdle races, is a horse which has never won a Steeple Chase or Hurdle race other than a Match or Private Sweepstakes, a National Hunt Flat race in Great Britain or an Irish National Hunt Flat race in Ireland, or a French AQPS Flat race, or a Steeple Chase at a Point-to-Point meeting, or a Timber race in Great Britain, at any Recognised Meeting in any country.

N.B. PLEASE ALSO REFER TO INDIVIDUAL RACE CONDITIONS.

## DEFINITION OF NOVICE

A Novice Hunter is a horse which has not won a Steeple Chase before June 3rd 2023.

N.B. PLEASE ALSO REFER TO INDIVIDUAL RACE CONDITIONS.

## REGISTRATION AS AN OWNER

Entries can only be accepted from owners registered in accordance with Rule (A)21 of the Rules of Racing. This does not apply to owners of horses trained outside Great Britain.

## DISTANCE OF RACES

The distances given for all races must be regarded as approximate only and they may vary slightly from time to time due to minor variations when doling-out is necessary on bends to maintain turf. No distance, however, will be less than the minimum distance stipulated by the Rules of Racing.

## STANDARD QUALIFICATIONS FOR HUNTER STEEPLE CHASES

The following qualifications apply to all Hunter Steeple Chases published in this book. Details of any variations or qualifications are added to individual races:-

The horse's name must be entered in the register of horses names maintained by the Authority. A Hunters' Certificate must be registered for the horse. The Hunters' Certificate must be sent to The Racing Calendar Office on the Prescribed form, together with the appropriate fee for registration specified in the Fee Code. Registration before noon on any day qualifies the horse to be entered in any Hunters' Steeple Chase which closes on or after the day immediately following, and for which the horse is eligible, in accordance with Paragraphs 16 to 19 of the Running Requirements Code.

## SAFETY FACTOR/MAXIMUM FIGURE

The number appearing underneath the conditions of the race is the maximum number of horses which will be started for that race, subject to the Field Size Limit, and above which Rules (I)9 and (I)10 will come into force, i.e. elimination or division will take place. The number is published for information only and may be subject to variation in accordance with the General Instructions.

Hunters' Steeple Chases are not permitted to divide. At the declaration to run stage, if the number of horses remaining engaged in any race exceeds the Safety Factor/Maximum Figure, the number of horses will be reduced to the number permitted by the Safety Factor/Maximum Figure or the Field Size Limit, as appropriate, by elimination or ballot in accordance with the provisions of Rule (I)10 and the Race Administration Code.

## FIELD SIZE LIMIT

The Field Size Limit will only be used to restrict the number of runners in a race below the Safety Factor/Maximum Figure when the number of declared horses for all races, including divisions, exceeds the Stabling Capacity for the fixture. The runners will be reduced by addressing each race in turn in a specific sequence order, until the total number of declared horses is no longer above the Stabling Capacity.

The provisional Field Size Limits published in the Races to Close section of The Racing Calendar may be subject to further revision at the entry/confirmation stage and at the declaration to run stage, once the final entry and declaration numbers are known, but in no circumstances will they exceed the Safety Factor/Maximum Figure for each race.

All Hunters' Steeple Chases in Classes 4, 5 or 6, where programmed, will be reduced to a Field Size Limit down to a figure of 9 for the race, as necessary, before the application of Field Size Limits for the remaining races.

## STABLING CAPACITY

The Stabling Capacity published at the head of each day's race programme in the Races to Close section of The Racing Calendar indicates the total number of racecourse stables in the secure stable yard available to runners on a specific day, as notified by the Managing Executive of the Racecourse. The number is published for information only and may be subject to variation in accordance with the General Instructions. Unless otherwise directed by the British Horseracing Authority, the final total number of declared runners on any one day shall not exceed the Stabling Capacity.

## **WEIGHT ALLOWANCE FOR FILLIES AND MARES**

Attention is drawn to the provisions of paragraph 49 of the Weights and Handicapping Code which reads as follows:-

49. Subject to the minimum weights permitted for the Race by paragraph 16, and excluding Handicap Races, fillies and mares shall receive the following weight allowances unless otherwise directed by the BHA:

49.1 5lb for a Flat Race except for any Pattern Race or Rating Related Maiden Race;

49.2 3lb for a Flat Race that is a Pattern Race;

49.3 7lb for a Jump Race.

## **MAXIMUM WEIGHT**

No horse may carry more than 13st in a Steeple Chase (paragraph 18 of the Weights and Handicapping Code).

# STANDARD CONDITIONS

- 1 The Racing Calendar Office of Weatherbys Ltd. receives entries submitted for acceptance as agent for the Racecourse Authority and only upon the terms of the Standard Conditions. Acceptance of entries is subject to the power to refuse to allow entries to be accepted conferred by the Rules of Racing on the British Horseracing Authority Ltd. Entries are accepted by the Racing Calendar Office, acting as aforesaid, causing the name of the horse in question to be published as being entered for the race in question either in The Racing Calendar, when the race closes more than six days before running, or, for other races, on the Racing Administration Internet Site ([www2.racingadmin.co.uk](http://www2.racingadmin.co.uk)) and ordinarily in the Sporting Press
  
- 2 The Standard Conditions subject to which every entry is submitted for acceptance are as follows:-
  - (a) The Owner (which expression shall in these Conditions include the Owner, as defined in the Rules of Racing, or any person in any way legally interested in the horse in question and his or their authorised agent) subjects himself in all respects to the Rules of Racing in force from time to time (and in respect of racing run outside Great Britain, to the Rules in force where so run).
  - (b) Neither:-
    - (i) the owners, the occupiers, the manager or the executive of the Racecourse to which the Entry relates (each and all of whom are herein collectively described as "the Racecourse Authority") nor
    - (ii) any servant, agent or independent contractor (including Weatherbys Ltd., Weatherbys Bank Ltd. and RaceTech Ltd. and their respective servants and agents) of the Racecourse Authority (each and all of whom are herein collectively described as "Racecourse Employees") nor
    - (iii) the Stewards of the meeting or any of the officials appointed for the meeting by the British Horseracing Authority Ltd. (each and all of whom are collectively referred to herein as "Officials") shall in any circumstances whatsoever, including but not limited to the negligence of either the Racecourse Authority, Racecourse Employees or the Officials, be under any liability whatsoever to the Owner for any loss, injury, damage or delay of whatsoever kind suffered by or in respect of or in connection with any entered horse either at the Racecourse or at premises belonging to or occupied by the Racecourse Authority or elsewhere arising or resulting or indirectly from any act, neglect or default on the part of the Racecourse Authority or any Racecourse Employee or any Official and the Owner agrees not to sue any of the said Racecourse Authority, Racecourse Employees or Officials for or in respect of any such loss, injury, damage or delay. Always provided that nothing in this paragraph shall exclude liability for death or personal injury resulting from the negligence of either the Racecourse Authority, Racecourse Employees or the Officials.
  - (c) The Racecourse Authority is or shall be deemed to be acting as agent or trustee on behalf of and for the benefit of all persons who are or might be from time to time Racecourse Employees or Officials and all such persons shall to this extent be or be deemed to be parties to the contract contained in or evidenced by this Entry.
  - (d) In the event of the Directors of the British Horseracing Authority Ltd. in exercise of the powers conferred upon them by the Rules of Racing ordering the transfer to another racecourse of the race meeting to which the entry relates the entry is to be treated as a valid entry for the race at that other racecourse. Furthermore in the aforesaid event the benefit of these conditions is deemed to be assigned to the Racecourse Authority of the racecourse where the race meeting is held and the definitions and terms contained in (b) and (c) are to be read and construed as applying to the Racecourse Authority, Racecourse Employees and Officials of such racecourses.
  - (e) Effective from 12th February 2018  
Without prejudice or limitation to the provisions of Condition 2(b) above, the Owner acknowledges and agrees that the horse ambulance providers acting as independent contractors to the Racecourse do not hold and are unable to obtain insurance in relation to transportation of already injured racehorses as such insurance is not available in the market. The Owner shall satisfy themselves as to the sufficiency of their insurance cover in relation to their racehorses and any loss, injury, damage or delay of whatsoever kind which they may suffer if transported by such horse ambulance providers. The limitation of liability and agreement not to sue contained with Condition 2(b) shall apply in relation to the Racecourse Authority, Racecourse Employees or Officials in respect of any such loss, injury, damage or delay of whatsoever kind which the Owner may suffer if racehorses are transported by such horse ambulance providers. The Owner agrees that this is a reasonable allocation of risk having considered the relevant circumstances.

- (1) Owners must be on the Register of Owners. Applications should be made online at <http://www.britishhorseracing.com/regulation/ownership/become-an-owner/>. - (5) A Hunter's Certificate must have been registered at the Racing Calendar Office, Equine Services, Weatherbys, by 12 noon on the working day prior to the closing date for entries.

## MAKING AN ENTRY

In July 2018 a number of changes were made to the operation of the Weatherbys Entries Call Centre. The most important of these was that the taking of Entries and Declarations moved entirely online via the BHA's Racing Administration website ([www2.racingadmin.co.uk](http://www2.racingadmin.co.uk)).

This website has been adapted so that, Point-to-Point Owners and Keepers will be able to enter their horse(s) into Hunter Chases. **PLEASE NOTE THAT THIS WILL BE THE ONLY WAY THAT YOU WILL BE ABLE TO ENTER YOUR HORSE - TELEPHONE ENTRIES WILL NOT BE ACCEPTED.**

## REGISTERED OWNER WITH CURRENT ACCESS

If you are already a Registered Owner with current Racing Administration access your menu options will automatically be upgraded to allow you to enter your horse into a Hunter Chase direct from the Find Fixtures & Races option. You will simply need to find and select the Race you are interested in and view the Race Conditions; if the Race is open for entries, you will be able to select the ENTER RACE button and enter your horse.

## CONDITIONS OF ENTRY

Entries are accepted in accordance with the terms set out in the Standard Conditions as published on the Racing Admin website, and subject to the Rules of Racing.

Entries must be made via the BHA's online entries system ([www2.racingadmin.co.uk](http://www2.racingadmin.co.uk)). A full user video guide is available at the following address: <http://media.britishhorseracing.com/nras>.

The Computer programs will carry out a simple check to determine whether a horse is qualified on age or sex. All other qualification checks will be carried out later in the processing cycle and after the entry deadline has elapsed.

Entries will normally close 6 days prior to the race, except for races taking place on a Saturday, which will normally close 5 days prior to the race.

Entries for some races close significantly earlier than the six/five-day stage. Please refer to individual race conditions for details and be aware that, in such early closing races, a confirmation of entry must also be made at the confirmation stage, 5 or 6 days prior to the race.

## CANCELLING AN ENTRY BEFORE CLOSING

An entry already made may be cancelled at any time up to the closing deadline using the website.

## ENTRY FEES

The Owner of a horse entered will become liable for payment of the Stake fee, as specified in the individual race conditions, together with an entry handling fee, as detailed in paragraphs 3 and 4 of the Race Entry Code of the Rules of Racing.

**This fee is currently £36.42 (plus VAT).**

In addition, the following amounts will also be payable in respect of each entry:

The sum of £1.20 is payable to the Horseracing Betting Levy Board for the benefit of the Equine Infectious Diseases Services of the Animal Health Trust

The sum of £1.25 payable to the British Horseracing Authority for the benefit of the welfare of former racehorses.

## MAKING A DECLARATION TO RUN

Under the six-day entry system, a declaration to run (not cancellation) must be made two days before the race. The deadline for declarations is a strict 10.00 a.m. If the horse is to carry any headgear (blinkers etc) or wear sheepskin cheekpieces, this must be selected at the time of declaration.

## DECLARATION OF RIDERS

Declarations of Riders are also recorded via the entry website. It is normal for the declaration of Rider to be made at the time of entry or declaration to run. However, such declarations may also be made after 2.30 p.m. on the afternoon of the closing of entries and until 1.00 p.m. on the day of declaration to run. All declarations of Rider will be provisional and may be changed at any time until the deadline. After the deadline, the only circumstances under which a declared Rider may be substituted, are when the declared Rider is injured, ill, late, the meeting has been abandoned, a declared runner is withdrawn allowing the Rider to take another ride, or some other reason acceptable to the Stewards.

For details on how to declare a rider, please visit the help pages on the INFORMATION tab of the MAIN MENU. The deadline for the declaration of riders is 1.00 p.m. on the day fixed for the declaration of horses. (Paragraphs 58 to 61 of the Race Entry Code of the Rules of Racing).

## NON-RUNNERS

All non-runners must also be reported via the Entries website except in the hour prior to the race, in which case notification must be made to the Clerk of the Scales, on the racecourse. (Paragraphs 40 to 51 of the Race Entry Code of the Rules of Racing). The declarations clerk, on the racecourse, will be supplied with an up-to-date list of horses and riders. If there are no changes it will only be necessary to sign this list. This must be done at least 45 minutes prior to the race. Any changes must be notified to the declarations clerk at this time.

## OVERWEIGHT

**Under Rule (E)15, no rider may weigh out if he will be carrying 4lbs or more overweight.**

Owners and Trainers should note that if they wish to substitute a declared Rider because he will be carrying overweight, a request for substitution must be submitted to the Stewards and, having been approved by the Stewards, the substitute rider must have weighed out at least a quarter of an hour before the time fixed for the race (**Rule (E)17**).

Furthermore, where a Rider is prevented from weighing out in the circumstances specified in **Rule (E)15**, the new Rider must be of a similar level regarding claiming a Rider's allowance.

So, for example, a Rider who claims any Rider's allowance must be replaced by a Rider who also claims any Rider's allowance (paragraph 65 of the Race Entry Code).

## **SCRATCHINGS, CONFIRMATIONS OF ENTRY AND DECLARATIONS TO RUN**

All scratchings, confirmations of entry and declarations to run must be made online via [www.2racingadmin.co.uk](http://www.2racingadmin.co.uk). Scratchings must be made by 12 noon on the Tuesday fixed in the conditions of the race. Confirmations of entry must be made by 12 noon on the date advertised in the programme of the meeting. A declaration to run must be made two days before the race. The deadline for declarations is 10.00 a.m. (Paragraphs 33 to 39 of the Race Entry Code of the Rules of Racing).

## **BHA RACING ADMINISTRATION INTERNET SITE**

Entries, scratchings, declarations to run, declarations of rider and declarations of non-runners have to be made on-line via the British Horseracing Authority Racing Administration site. Access to this site is restricted to owners, riders agents, trainers and keepers. Automatic access will be granted on the approval of registration as an owner or, for a keeper, by from instructions following the registration of a hunter certificate. Anyone wishing to register, please go to <http://www.britishhorseracing.com/regulation/ownership/become-an-owner>.

## **IMPORTANT NOTICE ON VACCINATION**

This coming Hunter Chase season there is a requirement for a Trainer/Keeper to use the Vaccination App when updating the vaccination records for their horses.

Please note that the Vaccination Code in the BHA Rules Of Racing states that;

**‘An entry for a race, or a confirmation of entry in respect of early closers, will not be accepted for any horse unless it has a correct vaccination record on the Vaccination App.’**

For horses to run in Hunter Chases, their vaccinations must be uploaded on to the Vaccination App by Noon on the day of entry.

For any horse with a previously approved record already on the Vaccination App, all subsequent vaccinations uploaded by a Trainer/Keeper need to be verified by your yard vet, and this vet verification must also be done **by Noon on the day of entry**.

It is your responsibility to check that your vet has verified the vaccinations for your horse prior to entry.

Please make sure you are aware of the current vaccination rules and vaccination intervals. For further guidance please see:-

ST. JAMES'S PLACE WEALTH MANAGEMENT has generously sponsored this race.

Presentations will be made to the winning owner, trainer, jockey and stable employee responsible for the winning horse, and a £200 award given to the stable employee in charge of the best turned out horse in this race.

All number cloths to be carried in this race have been sponsored and will carry the name/logo of ST. JAMES'S PLACE.

The sponsorship payment of £500 will be distributed equally amongst all horses starting in this race in accordance with paragraphs 24 to 27 of the Stakes and Prize Money Code.

PLEASE NOTE: Any horse for whom a confirmation of entry has been submitted will not be permitted to declare to run if, at the time fixed for declaration, it has been declared to run in any other race at this year's Cheltenham Festival, which has yet to take place.

(This will apply whether or not the horse is subsequently declared a non-runner, unless the horse has been eliminated from a race, or declared as a reserve and not been made a non-runner.)

The British Horseracing Authority has modified paragraph 16 of the Running Requirements Code for the purposes of this race to provide that horses will be qualified to run if they are qualified in Ireland and have a Hunters Certificate currently registered by the Stewards of the Irish National Hunt Steeple Chase Committee and which has not been cancelled.

The British Horseracing Authority has modified Rule (l) 10 and the Elimination and Balloting Procedures (contained in the Race Administration Code) of the Rules of Racing to provide that, if it is necessary to do so, elimination of horses from this race will be determined by the BHA Handicapper.

PLEASE NOTE: If more than 24 horses are declared to run in this race and elimination is necessary, priority will be given to horses which have run in Steeple Chases and Hunters' Steeple Chases under the Rules of Racing. With this in mind, it is strongly recommended that horses qualifying to run in this race through Point-to-Points should also run in a Steeple Chase or Hunters' Steeple Chase prior to Confirmation (March 10th, 2024) in order to avoid elimination. The BHA Handicapper will, however, reserve the right to guarantee a place in the line-up for a maximum of one 'wild card' runner, should he wish to do so. The decision of the BHA Head Handicapper shall be final.

PLEASE NOTE: Any horse for whom a confirmation of entry has been submitted will not be permitted to declare to run if, at the time fixed for declaration, it has been declared to run in any other race at this year's Cheltenham Festival, which has yet to take place. (This will apply whether subsequently declared a non-runner or not, unless the horse has been eliminated from a race, or declared as a reserve and not been made a non-runner.)

A Confirmation of Entry will not be accepted for any horse for which Medical Records are not submitted to the BHA by 5th March, 2024 with a further update to be submitted by 6.00pm on the day before the race.
